

# MASK DATA SHEET

## Resus-O-Mask

Resus-O-Mask is a CPR face shield. You can order Resus-O-Masks in different ways, in a compact bag, on a key ring with your company specific logo:

- CPR Face shield inside a white Logikal poly bag: **CODE LRM2**
- CPR Face shield inside a vinyl keyring bag. You can add your company logo on the bag to use as a unique promotional tool: **CODE LRM4**

## Air Splints

Logikal Air Splints incorporate an extended inflation valve with single-handed closure clamp. Each item is sold separately. You can also buy the full set of Splints which includes 1 of each size splint.

- Hand and Wrist Air Splint: **CODE AS12** 407mm long x 393mm top width / 290mm bottom width
- Half Arm Air Splint: **CODE AS13** 600mm long x 440mm top width / 290mm bottom width
- Full Arm Air Splint: **CODE AS14** 770mm long x 480mm top width / 290mm bottom width
- Foot and Ankle Air Splint: **CODE AS15** 475mm long x 475mm top width / 685mm bottom width
- Half Leg Air Splint: **CODE AS16** 700mm long x 555mm top width / 685mm bottom width
- Full Leg Air Splint: **CODE AS17** 875mm long x 622mm top width / 685mm bottom width
- Full Set of Splints: **CODE AS19** 6 x splints, includes 1 of each size splint
